Please be advised that the Out-Wayne County Continuum of Care Board of Directors has selected and prioritized all renewal and bonus project applications for funding that were submitted during HUD's FY21 Continuum of Care NOFO process.

The following project was not selected for ranking in this year's competition:

- Wayne Metro - RRH Singles Expansion

The final listing of all new and renewal projects to be submitted to HUD is attached and will be posted to the CoC's website <https://www.outwaynehomeless.org/> by November 1, 2021.

We encourage you to contact our staff to discuss ways to partner and to gather data to support a potential project next year.

The Out-Wayne CoC looks forward to continuing to work with you on our mutual efforts to end homelessness in our community.

Thank you.
